## Lego Sight Words Game Rules

Goal: Build a Lego Tower of Power from reading sight words.

Materials: Lego Sight Word Game board, Lego Color Cards, Sight Word Lists, Legos-red, orange, yellow, green, blue.

\* \*Laminate (or contact paper) all pages for durability and reuse. (Use dry erase markers for easy wipe-off.)

1. Prior to start of game, adult (or oldest player) writes sight words of study on each blank on game board. Repeat and vary sight words as necessary.
2. Select 1 Lego brick for each player to begin. This Lego is their "player".
3. Youngest player goes first (if more than 1).
4. Select card from deck.
5. Player moves to that next color block. Player reads sight word and earns block to add to his "player".
6. If player cannot remember sight word, player may be given clues or help to sound out if possible.
7. If special card is selected, go to that area & get or lose blocks. Resume play from next nearest game board block.
8. Proceed with game until each player reaches Tower of Power! How many sight words did you know? How high is your Tower of Power Lego sight words?
9. We all win with learning to read!

Optional: Use corresponding worksheets to continue learning with Legos. Write sight words as you go! Make patterns with Lego blocks you won. Count & graph your Lego blocks. Build & create-what will you make?
